### New Students

If this is your first time taking Irish dancing, then please select the class of the appropriate age group that is listed as “**New**”

### Competitive Classes

Competitive classes are intended as a second class for students taking two classes a week. Students must be enrolled in two or more SOLO classes a week in order to enter competitions (Figure classes are great for dancers but are not a substitute for a second solo class).

### Performance / Figure classes

These classes are for dancers of any age entering their second year of Irish dance. Dancers enrolled in these classes will learn MJP's show numbers that are similar to choreography used in "Celtic Echoes" and by "Dara Irish Dance Troupe". Dancers will also learn figure dances which are the traditional group dances used by Irish step dancers in competitions and in shows.
