WITHDRAWAL POLICY

Hopefully, you will remain with the studio for the full dance year, and then again annually, thereafter. However, should you find it necessary to withdraw, you must notify the studio in writing prior to the 1st day of the month. Non-attendance is not considered proper notice. If you do not give written notice, your account will continue to be charged until formal notice has been received.

REFUND POLICY

First month's fees and last month's (June's fees) are non-refundable. Refunds will not be given for days missed due to absences, holidays, or weather-related closings. Credit may be given in the event of a medical emergency. Situations such as this will be considered on a case-by-case basis.

NON-PAYMENT POLICY

Dancers with outstanding balances will not be allowed into class. This includes failure to provide payment by the first of a given month. Dancers will not be permitted into the classroom until payment has been made for that dancer.

DELAYED PAYMENT OF FEES

Delayed payments will result in additional charges to your account. Any payment not received on time will be subject to a 10% surcharge. If after an additional two (2) weeks, payment has still not been made, an additional 10% fee will be attached to the new balance. Further delays will be charged at a weekly rate of 5%.

NSF CHEQUES

\$25.00 will be charged for all NSF cheques. After two NSF cheques, the remaining balance for the year must be paid in cash following the guidelines above.

CLASS CANCELLATION

Due to low enrollment, a class may need to be cancelled. Dancers from a cancelled class will be combined with another existing class. If a dancer cannot make any other class times, we will attempt to continue to run the class for the remainder of the existing month and fees will be refunded for the remainder of the year from the first day of the following month (excluding June fees).

MJPIDA
(MJP Irish Dance Association)
Membership Application

Who is MJPIDA and why should I join?

The MJP Irish Dance Association (MJPIDA) is MJP Academy's non-profit parent support group. All of us work together to support our dancers.

Any fundraising contributes to the dancers of the MJP Academy (school). MJPIDA owns and maintains the class dresses worn by dancers at shows and in competitions. MJPIDA also subsidizes building rental cost for the school and workshops, reducing your tuition and other fees.

MJPIDA sponsors a Year-End Show for all dancers. All MJP Dancers are invited to participate. The show is an Irish Dance Performance presented for parents, families, relatives, neighbours and others.

Class Dress Rentals

Irish Dance is not only the dance steps and timing of dance; it requires costumes for show performances and competition.

MJPIDA owns and maintains class dresses that may be rented for use throughout the dance year by members. As your dancer grows, a "too small dress" is traded for a larger dress anytime during the year to fit your dancer.

Volunteer Points

The benefits of MJPIDA membership requires help with various activities throughout the year from all member parents and dancers of MJPIDA. To ensure participation by all members, a volunteer point system is in place.

First year dancers are only required to earn 10 points. You can earn these points very easily by participating in just two things! Like: Attending one meeting (5 points) and dancing in the year end show (5 points).

Volunteer Point System operation is simple,

1. We require a \$200 deposit cheque (post-dated for June next year) at the beginning of the dance year (September).
2. Earn the number of points required by the end of the year (June) and your cheque is returned.

Required volunteer points are earned per family. Number of points required during the dance year is determined by dance level of the most senior dancer in your family.

Points are very easy to earn. We want your assistance and participation, not your deposit money.

See MJPIDA Parent Handbook for Volunteer Point requirements and how to earn Volunteer Points.
